SELECT COMMITTEE ON SMALL BUSINESS
(CREATED PURSUANT TO S. RES. 98, 81ST CONGRESS)

July 7, 1958

Professor Joshua Lederberg
Chairman, Department of Medical Genetics
School of Medicine
The University of Wisconsin
Madison 6, Wisconsin

Dear Joshua:

Thanks very much for sending your letter and your proposal to Bill. I didn't think you would mind having them put in the Congressional Record. As you know, we don't often get advice based on both experience and detailed study such as you and other members of the faculty have given these educational proposals.

If you have not received by now some materials from the two committees, I wish you would let me know. They promised to send their stuff to you and if they do not, I want to know about it.

All the best.

Sincerely,

Ralph

*No objection.
I have the Senate Committee's
hearing reports but nothing from
the House.*

*Thanksmuch. On second thought, I believe I ought
to have your permission before I put
your letter and statement in the
Record. Therefore I am holding them.
If you have no objection, would you
drop me a card? Thanks - Ralph*
